

ECOCELL

with natural air convection

The highly cost-effective heating oven series for simple drying processes. The ECOCELL-line produces no noise and provides a very soft air convection within the chamber.

Volume:

22, 55, 111, 222, 404, 707 litres

Working temperature:

5 °C above ambient temperature up to 250 °C/300 °C

Interior:

stainless steel, mat. No. 1.4301 (AISI 304)

The versatile standard line with microprocessor control unit

- 3 programs
- RS 232 – interface for printer or PC-communication
- delayed heating start and stop function
- acoustic and visual alarm
- time range 99 hours 59 minutes
- digital safety thermostat type 2
- manual control of the air exhaust flap

Options

- door window and interior lighting (excluded volume 22 litres)
- access ports Ø 25, 50, 100 mm (Ø 100 mm is not available for 22-litres volume)
- door lock
- left door versions (excluded volume 22 and 707 litres)
- separate PT 100-sensor
- communication software WarmComm
- stainless steel casing of the device
- measurement of material's temperature with an independent movable sensor PT 100 (with indication on a display or PC)

... standard line

The high-tech comfort line with multi-functional microprocessor control unit

- 6 programs
- chip card system for individual program storage
- RS 232 – interface for printer or PC-communication
- delayed heating start and stop function
- acoustic and visual alarm
- time range 0–40 years with 1 min-intervals
- digital safety thermostat type 2
- real time
- programming temperature ramps
- heating sequences
- programme cycles
- manual control of the air exhaust flap

Options

- door window and interior lighting (excluded volume 22 litres)
- access ports Ø 25, 50, 100 mm (Ø 100 mm is not available for 22-litres volume)
- door lock
- left door versions (excluded volume 22 and 707 litres)
- communication software WarmComm
- potential-free alarm contact
- measurement of material's temperature with an independent movable sensor PT 100 (with indication on a display or PC)
- stainless steel casing of the device
